Dear Mr. Morisy:

This is in response to your electronic Freedom of Information Act (FOIA) request, dated September 1, 2013, and received in this office on September 3, 2013, in which you request a copy of any contracts for iOS, Android, BlackBerry, and Windows Phone app development for the NLRB, including for apps available at certain specified URLs, as well as other apps that have not been released.

An interim response was sent to you on September 17, 2013.

The Agency will need an extension of time to respond to your request. Because of the need to evaluate the position of the submitter on the release of the requested information under FOIA Exemption 4, 5 U.S.C. § 552(b)(4), the Agency will require an additional ten working days, from October 1, 2013 until October 15, 2013, to respond.

Sincerely,

A handwritten signature in black ink, reading "Eric G. Moskowitz", is written over the typed name.
